DESTINATION CLIC 

A summer program to help francophone students in grades 8, 9, or 10 (outside Quebec) connect with the francophone community

An experiential summer program for francophone students outside Quebec to nurture their sense of belonging and identity with the francophone community and enhance their French-speaking skills.

I had so much fun learning and exploring a new city that I decided to move to Ottawa the following year! I ended up living there for seven years and loved every minute of it! It was a life-changing experience for me. I am still very good friends with people I met there. I would recommend this program to everyone.
